Docket No. 98N-12656 71 '99 JUN 30 AIO:16
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

Why won't you people rpm
people FDA just leave things alone?
If this benefits women who have
true PMS, why would you want to
make it even harder to deal
with?
